

PORK MORT

Pork Mort is an old-school role-playing game inspired by Balearic folklore.

Try to survive on The Island, a strange and mysterious world home to witches, giants, demons, and many other mythological creatures.

- A book with meticulously crafted design and layout.
- Illustrations that offer a fresh and distinctive take on traditional folk tales and their characters.
- Created without the use of artificial intelligence by JAUME MAYANS, art director at Murphy's Toast Games (Didpatri), winner of the ECGBL 2023 11th International Educational Games Competition for the video game Julia: A Science Journey.
- A game based on the third-party license MÖRK BORG. <https://morkborg.com/license/>
- Simple rules you'll pick up naturally as you play.
